ARMY STANDARDIZATION

2008 DoD Conference

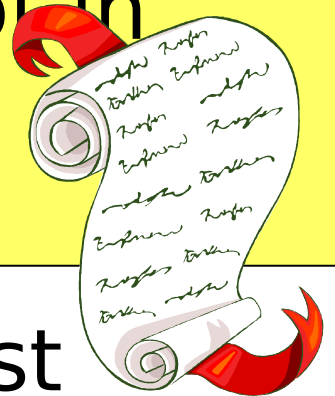

Luis Garcia-Baco.
Army DepSO

UNCLASSIFIED

4 March 2008

Message from 2007 DSP Conference

- Not metrics-driven across the Enterprise
- Prioritization schemes are not in place
- Integration opportunities exist

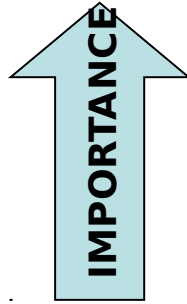

What We've Accomplished

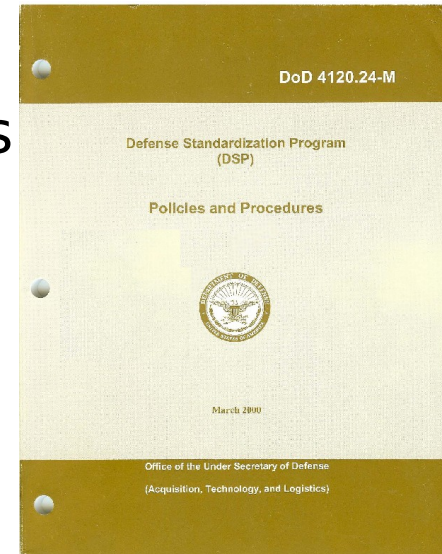

- Approved prioritization scheme
- Presented FY08 standardization plans including supporting metrics
- Reallocated limited funding across Army

FY08 Army STDZN Program Prioritization

CRITERIA:

- Warfighter Safety
- Current Operations
- Savings
- Usage
- Mandated Actions

TASKS:

- DSP Mission
- Common Across STDZN Orgs

FUNDING:

- \$4.5M FY08 Budget

- Reallocation Decision

- 26% Redirected

High Priority Efforts

Accomplished
Since 2007
DSP Conf

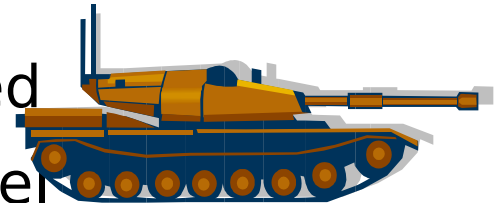

Benefits to the Warfighter

EXAMPLES

- New MIL Standard for Particle Erosion Testing of Rotor Blade Materials

- Revised MIL Specifications for Improved Ballistic Resistance of Armor Plate Steel

- Qualification of Improved Weapon Lubricant,
Cleaner and Preservative (CLP) for Sand/Dust Environment

What We Still Need To Do

- Communicate more frequently
- Continue to work together in order to build knowledge and trust
- Share strategic visions, action plans, priorities and challenges
